Mr. Hasumuddin Akhras
Aloha Peace House
P.O. Box 61133
Honolulu, Hawaii 96839

Dear Mr. Akhras:

I have not forgotten our conversation about your plans for the Aloha Peace House that we shared in Kea'au not long ago.

I was waiting for a response from some of my colleagues of Jewish faith and the Governor because I did not want the subject to be the source of controversy, which sometimes happens in the legislature. The enclosed letter from the Governor assures me that it will not necessarily generate opposition. Representative Moses expressed concern about who you were but I think the Governor's support will satisfy him.

If you are in Honolulu, perhaps you could call my office and set up another appointment, at which time we could pursue the idea of a Resolution and get more background information for such a Resolution of support. Please call 586-6530 and speak to my office manager, Linda Asato-Kaichi.

Aloha,

HELENE H. HALE
State Representative
